

Recruitment interview for managers

#1 Recruitment interview

- 1. Candidate Recruitment Profile** - how to efficiently and quickly create it, while ensuring that you know exactly who you are looking for and who others should look for you (subcontractors, HR Department). You will get a ready tool from us - the Candidate Recruitment Profile Card, thanks to which your recruitment decisions will be easier and more effective.
- 2. The most effective recruitment questions** - you will discover what mistakes in asking questions you have made so far and practice asking diagnostic and prognostic effective questions (the so-called behavioral): You will get a practical tool / map for asking questions according to the Star Model.
- 3. You will discover what "tricks" are used by the candidates** and you will learn about the so-called strong recruitment questions, thanks to which you will reduce the risk of making a mistake in the assessment of the candidate.
- 4. You will practice in practice, and you will receive a Motivation Matrix tool in the form of a ready tool** - to test the candidate's needs and values to suit you, your team, position and what your organization offers.
- 5. You will discover and receive the Employment Matrix** - a tool that will help you make a decision about beginning (and also ending) cooperation with a specific person.
